

Leavenworth Community Farmers Market

Sponsorship Benefits

The Leavenworth Community Farmers Market (LCFM) is a Washington state nonprofit that **serves thousands of individuals in the greater Leavenworth Valley**. Our mission is to:

Increase access to fresh, locally produced foods and other products of local labor for all people. We strive to serve culturally and economically diverse populations, and bring together families, neighbors, visitors and local food producers to create community and social gathering; to enhance our quality of life and foster a sustainable local economy.

We rely on the continued support from local sponsors and donors in order to sustain the LCFM. We offer a variety of ways to get involved including acting as a sponsor for one of our special programs or joining other local businesses and individuals to sponsor the overall market.

Our print and online announcements reach thousands of people across the valley, with the market drawing hundreds of people each week. Show the community that you care! **Together, with your donation, we can create community and enhance the quality of life in the greater Leavenworth area!**
